ORDER FORM (1) Nº500085367 - ST01 ALD WAREHOUSE LÖRRACH

Required documents: Original documents such as **EUR1, EURMED, Certificate of Origin, Supplier Declaration**,etc. Should be sent to TW Logistics Germany GmbH - Office Services - Schopfheimer St. 27 - 79541 Lörrach - Fax no +49 76 21 16 20 129 - reception@tally-weijl.com – The complete set should be with us right after the departure in origin. These should also be uploaded on our logistics website along with other shipping documents like: **commercial Invoice** (with REX declaration if applicable), **packing list, ATR**, among any other.
For any missing document in our distribution centres the day before the goods reception, or if a document is not valid (not accepted by custom offices or chambers of commerce) TALLY WEiJL will settle a debit note in accordance with the penalties specified in the Logistics Specifications book, which could be directly deducted from our payment.
Tally Weijl Minimum Requirements Policies (hereinafter, TWMR): Tally Weijl supplier, by acceptance of the present Purchase Order, confirms having received and read the TWMR sent during the on boarding process and last version available in EEM system. Supplier certifies the acceptance of the terms included in the TWMR. TWMR includes a set of policies:

- The **Code of Conduct and Ethics** (hereinafter, CoC). The Supplier is responsible to fully comply with the CoC, and to communicate the CoC to all its supply chain and ensure commitment and compliance with the requirements. Supply chain and materials must be traceable and reported to Tally Weijl upon request.
- **Restricted Substance List** (RSL) and **Quality Standard Requirements** (QSR) to ensure product conformity and compliance. Delivered products must be fully compliant with RSL and QSR policies. All products need to be tested by the Supplier in the approved laboratories by Tally Weijl at Supplier´s cost. The Test Report needs to be sent to productcompliance@tally-weijl.com
- **Animal Welfare policy**. All product needs to be manufactured according to the Animal Welfare policy.

Product labelling must follow the Label book. The last version of it can be found in EEM system.
Any violation to the terms stated in the Logistics Specifications Book, Tally Weijl Minimum Requirements Policies and the Label Book, will have cost repercussions accordingly to what is defined in the Logistics Specifications Book.
